

Park Cottage Access Statement

The ground floor bedroom has a zip and link bed that can be configured as two singles or a double. The bed is 25 inches or 635 mm high and there is no clear space under the bed. The room has a substantial upright armchair.

To the first floor there are 15 stairs of 7.2 inches or 180mm in height. Stairs are 32 inches or 810 mm wide. The bath in the first floor bathroom is 610 mm or 24 inches in height to the lip.

The decked terrace is accessible through folding French windows stretching the full width of the sitting room area. The decking is on the same level as the kitchen with a small lip housing the window runners.

The garden is accessible via a concrete sloped ramp and it has a handrail 39.5 inches or 1 metre high. The ramp is 56.5 inches or 1440 mm wide. At the top of the ramp a gate to the right allows access to the greater walled garden and the greater estate. Please see the separate Access to Gardens document in the Guest Information File.

The two bedrooms and upstairs bathroom are accessed via a robust cottage staircase with wooden handrails.

Cossington Park

For those who are part of a greater party using both properties there is a step free route from the side door of the cottage to back door of Park House via the Park House garden gate, there are two ramps on the route and there are no steps into Park House. Please also see the separate

access statement for Park House on the Cossington Park website.

Additional Information

Evacuation of the premises in the case of fire or other emergencies is the responsibility of the leader of the guest party who should familiarise him/herself with the fire provisions displayed in the Kitchen. The house is fitted with smoke detectors, fire extinguishers, fire blanket and torches are provided for emergency use.

The house is non-smoking.

Pets

Pets and service dogs are welcome if arranged in advance.

Local Facilities

There is a convenience store in Woolavington (the next village). Turn right at the triangle in Cossington, follow the main village road all the way round the sharp left bend and carry on until you come to a T-junction. Turn right onto Woolavington Hill and you will see the shop. It is open until 10.00 pm.

There is a full description of local shops and facilities in our Guest Information File located in the Kitchen or on our website if you are planning your trip in advance.

There are no leisure facilities on-site at Cossington Park but there are many facilities nearby described in our Guest Information File and on the website.
